

This architectural floor plan illustrates the layout of a restaurant, oriented with North at the top. The plan includes a large dining area with various seating arrangements, including rectangular tables with chairs and curved sofas. A central bar area is located near the entrance, featuring a curved bar and high-top stools. The kitchen is situated in the upper right corner, equipped with a sink, stove, and storage units. A staircase is located in the lower right corner, leading to an upper level. The plan also shows a large window or glass wall on the left side, providing a view of the exterior. Dimensions are provided for several key areas: the main dining area is 360 units wide and 500 units deep; the bar area is 286 units wide; the kitchen is 288 units wide; and the staircase area is 120 units wide. The plan is marked with a North arrow in the top right corner and includes several circular symbols indicating specific features or measurements.
